

LAKE COUNTY BCC
SPECIFICATIONS FOR TWO (2) MID-SIZE 4X4 SUVs

Lake County is currently seeking quotes for the purchase of two (2) mid-size 4x4 sport utility vehicles (SUV) in accordance with these specifications and minimum requirements.

The vehicles offered in the quote shall be the manufacturer's standard equipment with no alterations. The County will not lease or purchase altered vehicles or custom designed vehicles unless expressly provided for in this document. All vehicles shall be a 2015 model unless otherwise specified. The vehicles must be new and unused in current production. Used, demonstrator, prototype or discontinued models are not acceptable. The vehicles shall be equipped with the manufacturer's standard equipment and accessories which are included as standard in the published specifications for the unit. No such item of equipment shall be removed or omitted for reason that it was not specified in the bid. Any accessories not specifically mentioned herein but necessary to furnish a complete engineered unit ready for use shall be included.

The vehicles shall be manufactured so as to be in strict conformance to all standards applied by any Federal or State regulations. Lights, brakes and all other devices, shall be in accordance with industry standards and established safety requirements as well as those safety and highway standards required by Local, State and Federal regulations, specifically including those of the US Department of Transportation.
